

GRAB YOURSELF A DRINK AND TAKE SOME TIME TO REALLY THINK IN DETAIL ABOUT WHAT YOUR IDEAL **THRIVING** BUSINESS AND LIFESTYLE LOOKS LIKE.

Fill in the whole page, describing what you see yourself doing each day, who are you making a difference for, where do you spend your time?

What do you earn each month, what do you wear, how much do you give to good causes?

Which relationships are you loving? What hobby or passion project do you enjoy spending time on... and everything else that represents THRIVING to YOU!!
